

THE 3RD SEAPPRO

Southeast Asia Plant Protection Conference

Poster Guideline

- Standard X Banner Size (160cm X 60cm)
- Important information should be readable from about 3 meter away
- Title is short and draws interest
- Word count of about 300 to 800 words
- Text is clear and to the point
- Use of bullets, numbering, and headlines make it easy to read
- Effective use of graphics, color and fonts
- Consistent and clean layout
- Includes acknowledgments, your name and institutional affiliation
